About the John Lewis Partnership

The Partnership is the UK's largest employee-owned business and home to our two well-loved retail brands - John Lewis & Partners and Waitrose & Partners, as well as expanding into new areas beyond retail.

We aren't an ordinary business though. The Partnership is different because everyone who works here isn't just an employee. We are Partners, with a shared responsibility for our success, and we share the rewards when we're successful.

Everything we do is powered by our unique purpose: **Working in Partnership for a happier world.** Our Purpose inspires our principles, drives our decisions and acts as our guide, so that everything we do contributes to Happier People, Happier Business and a Happier World.

Critical purpose of the role

Working closely with the Grounds and Gardens Manager, planning and implementing improvements to the formal gardens. As well as working with the wider Grounds and Gardens team, and deputising for the Grounds and Gardens Manager in their absence. The primary responsibility of the role will be to maintain formal beds and borders, kitchen gardens and grounds, lakes and woodland. Delivering high standards throughout to enhance the reputation of the Estate, providing an excellent visitor experience.

Through your Professionalism, you will have the opportunity to develop and stretch personally and professionally to achieve your potential.

The Partnership supports agile and flexible working practices, such as when, where and how we work. We have several different ways to work flexibly, including part-time, flexible or compressed hours, and job sharing. Head office areas also support a blended working approach.

We celebrate diversity and inclusion in the John Lewis Partnership and we are committed to becoming the UK's most inclusive business, reflecting and connecting with the diverse communities that we serve.
