Good afternoon Anna and Fran,

I hope you are well and you are having a good day.

Toni has completed the interview process for Missions Architect and we have processed the verbal offer to the successful candidate based on Anna's approval.

Thursday, 12 Feb

Anna Rolfe Thu 10:00

1 x Product Engineer IOS PL7 and 1 x Missions Architect PL5 - JL Approved

We'll need to attach a formal email approval to the requisition to be able to process the hire.

Please can I request you to both to provide formal email approval?

Thank you.

Kind regards,
Lalitha.
